20 th November	Christ the King
27 th November	Advent begins
8 th December	Feast of The Immaculate Conception

Topic 1: God's World

This half term, the children will be learning about God's world. Throughout this topic, the children will begin to appreciate the beauty of the world and know that God made it. They will learn that God loves and cares for each one of us and reflect on this. They will hear about and respond to the things God created for us.

They will know that God has asked us to care for the world and think of ways in which we can help to do it.

At home you could help your children by:

Looking at pictures of animals and plants and talking about how special creation is

Encouraging them to notice different parts of God's wonderful creation and think of ways to care for the world.

Topic 2: Families

Next half term the children will be learning about families- my family, different types of families, ways we help each other in our family. This will lead up to learning about Jesus' family in preparation for Christmas.

At home you could help your children by:

Looking at pictures of people they know in their own family, identifying them by name and

relationship. Talking about jobs we each do at home with our family and how this helps the family to live together.
