Issue 1: Autumn Term

Friday 20th September 2024

Kindness

In our celebration assembly this morning, we talked about our school rules and the importance of 'kind hands, kind feet and kind words' – especially kind words. It was so lovely to see so many children receive certificates for kindness and being good role models to others. Next week, the focus of certificates will be on Growth Mindset and how well children embrace mistakes and setbacks and show us their resilience. We are very proud of all of our children, all of the time, particularly when they overcome a challenge!

Our teachers are very much looking forward to meeting with parents next week. We hope that you find the 'Meet the Teacher' sessions a positive and useful experience. Class newsletters will also support in knowing what areas of the curriculum are being covered and any upcoming trips and important dates. Please note that the one-to-one parents' evenings will take place over 22nd and 23rd October. These appointments will be made nearer the time.

Have a lovely weekend!
